## 2019 Rule Changes

1. Drop from knee height
  2. Time to search – 3 minutes (NOT 5 minutes)
  3. If you accidentally move your ball when searching for it, replace it without penalty
  4. No penalty for a double hit – it only counts as one stroke
  5. No penalty if your ball hits you or your equipment accidentally after a stroke
  6. No penalty if your ball strikes the flagstick when you have chosen to leave it in the hole
  7. Spike mark and other shoe damage on the putting green can be repaired
  8. Ball accidentally moved on putting green – no penalty and replace
  9. Ball marked, lifted and replaced on putting green is moved by wind to another position –replace ball on the original spot
  10. Penalty areas replace water hazards, and you can move loose impediments, ground your club and take practice swings in penalty areas without penalty, just as you can on the fairway or in the rough
  11. In bunkers you cannot touch the sand with your club in the area right in front of or right behind your ball, during your backswing or in taking practice swings
  12. You cannot have your caddie or your partner standing behind you once you begin taking your stance
- Pace of Play - it is recommended that you take no longer than 40 seconds to make a stroke (and usually you should be able to play more quickly than that) and Ready Golf in stroke play is encouraged
